# STATE COLLEGE LEADER

VOLUME LVI

FORT HAYS KANSAS STATE COLLEGE, HAYS, KANSAS, THURSDAY, SEPTEMBER 26, 1963

NUMBER FOUR

## ASC Picks Leichliter For Top Post

Kent Leichliter, Nickerson senior, was elected Tuesday night to serve as president of the Associated Student Body for the remainder of the 1962-63 term of All-Student Council, which terminates during the half-time ceremonies of Homecoming.

Leichliter replaces Larry Good who is doing graduate work in Kansas City.

A committee was chosen to complete plans for the Student Council Leadership Conference Oct. 5 in the Memorial Union. Every high school in the state has been invited to participate in the biennial conference.

The council will also be in charge of registration for Parents' Day and will act as host for the occasion.

Cheerleaders will not be able to receive ASC aid for the trip to Gunnison, Colo., for the Fort Hays State vs. Colorado Western football game. According to a Board of Regents ruling, the board must be notified 30 days before state funds may be used for an out-of-state student activity.

Council members voted to pay 5 cents per mile to persons who furnished cars for the Student-Faculty retreat.

**ADDITION TO MUSEUM** — Ross Beach, Jr., Hays, points out the approximate place he shot this giant 8'7" Kodiak bear to his wife and daughter, Janie. Beach donated the brown bear specimen to the FHS Museum this week. The only mounted bear of its kind in a Kansas museum, it is known for its tremendous strength and probably weighed between 1,200 and 1,500 pounds. Beach shot the Kodiak, or *Ursus middendorff* by its scientific name, last spring on Kodiak Island off the coast of Alaska.

## English Workshop For Area Teachers Set for Friday

Fort Hays Kansas State College will host its second annual English workshop for teachers Friday in the Memorial Union.

Harry A. Moos, Ellis High School, will serve as chairman at the general session in the Black Room.

Dr. Reginald Reindorp, chairman of the division of language, literature and speech at FHS, and Dr. Verna Parish, adviser to the FHS English department will greet the participants of the workshop. Their speeches will be followed by a panel discussion on "Evaluation Themes."

Two other panel discussions will be held at the work shop. They concern the topics of standards for grading themes and approaches to literature.

The workshop studies also include leisure reading and book reports, linguistics and grammar, organizing and writing paragraphs, and teaching poetry.

At 4 p.m. the workshop will close with a general session in the Astra Room of the Memorial Union.

## New Parking Lot Open

An auxiliary parking lot which will ease the parking problem at FHS has been constructed north of the Memorial Union parking lot.

The parking lot will accommo-

date about 100 permit cars.

"Parking always has been a problem and will continue to be so in the future," said Bill Jellison, dean of men.

"More students bring cars to college every semester," he continued. "Despite rezoning and ineligibility of married students living in Wooster Place and Hackberry trailer court to secure parking permits this year, there was an increase of 300 parking permits this fall over last fall."

Future plans call for a parking lot for about 300 cars east of the new music and speech center.

This year the Memorial Union has 188 events scheduled which will bring an average of about 50 out-of-town cars an each occasion.

## Frat Rush Activities Begin With Smokers

Next week the seven fraternities will begin activities for rush.

Rushes are advised to attend all smokers to become familiar with the different policies and opportunities offered by each of the groups.

On Monday a series of smokers will begin in Memorial Union. At this time all interested men can become acquainted with fraternity life.

The schedule for the smokers is: Phi Sigma Epsilon, Monday; Sigma Phi Epsilon, Tuesday; Tau Kappa Epsilon, Wednesday; Sigma Tau Gamma, Oct. 3; Prometheans, Oct. 7; Delta Sigma Phi, Oct. 9, and Alpha Kappa Lambda, Oct. 10.

## WLO Tutors Needed

Persons interested in becoming a Women's Leadership tutor should apply in the Dean of Students office, Picken 208.

An over-all grade point of 1.5 is a requirement for all tutors. The minimum price a tutor receives is \$1 per hour.

## Cunningham Terms Retreat Successful

"I must compliment the Student Council on this day," said FHS president M. C. Cunningham, following the second annual Student-Faculty Retreat Saturday.

"My only regret is that the whole student body and faculty were not here to participate," continued Dr. Cunningham. "The

thing that impressed me most was the maturity of the students in dealing with the issues discussed."

While not designed to offer patent answers, the retreat did give birth to many ideas on improvement at Fort Hays State, offered by the 41 students and faculty members attending.

After the ideas are sorted, those which are deemed useful and feasible will be discussed at future ASC meetings and will be reported in The Leader at that time.

Held at Camp Pecusa on Webster Lake, the day's activities included three discussion periods. During the first period the administrative authority of the college was discussed.

The group sought answers for the following questions: How far does the authority of the college extend? How can the college help to develop more mature men and women on our campus? How can communication between administration, faculty and students be improved?

Improvement of instruction was the discussion topic for the second session. Questions considered were: What should be the basis for grading a student? What responsibility does the instructor have for allowing the student to discuss both pro and con of controversial issues? Is a professor or student really able to voice his opinion loudly and clearly without fear of recrimination?

During the last discussion period campus services were discussed. Included in this discussion were the students' and faculty's ideas about the Memorial Union, parking on campus, role of Dean of Students office and student housing—on and off-campus.

Richard Burnett, assistant to the president, commented, "Student Council is to be congratulated. The frank discussions were very healthy."

Keynote speaker for the outing was Dan McGovern, Uplands, Calif., senior.

## FHS Debaters Will Present Demonstrations

FHS debaters, coached by Jim Costigan, start the fall activities with a series of demonstration debates for high schools.

Clinics are planned in Great Bend Monday, Ness City Tuesday and Goodland Wednesday.

Purpose of the demonstrations is to afford the high schools a chance to see a college debate team in action and analyze techniques of presentation.

The high school students play no active part in the project, but do have a chance to ask questions.

Presenting the non-decision debates on the college question, "Resolved, That the Federal Government should guarantee an opportunity for higher education to all qualified high school graduates," will be Jone Burris, Hays junior; Rex Gaskill, Hutchinson senior; Richard Scott, Atchison sophomore, and Steve Tramel, Atchison freshman.

## Faculty Senate Plans Meeting

The Faculty Senate will hold its first meeting of the school year at 4 p.m. Tuesday in the office of John Garwood, dean of the faculty.

Ex officio members of the senate are FHS president M. C. Cunningham, president; Dean Garwood, chairman; Standlee V. Dalton, registrar and director of admissions, secretary, and Ralph V. Coder, dean of the graduate division.

Representatives from the various divisions on campus and the divisions they represent are: Dr. Leland Bartholomew, music; John Berland, applied arts; Dr. Harold Falls, health, physical education and recreation; Margery Hellems, library science; Richard Marcus, social science; Dr. David Pierson, biological sciences; Shirley Rowlands, nurse education; Dr. Samuel Sackett, language, literature and speech; E. J. Spomer, economics and business; Dr. LaVier Staven, education and psychology, and Ellen Veed, physical sciences.

## Pianist Peter Nero Rescheduled for Oct. 8

Peter Nero's appearance at Fort Hays State has been rescheduled for Oct. 8.

He originally was to appear last Wednesday, but illness forced him to cancel the appointment.

A ticket exchange for students is planned Wednesday in the Memorial Union lobby. Students must obtain a new ticket and old tickets will be exchanged without punching another activity card number.

Persons who purchased tickets may receive a refund or exchange their tickets for new ones.

## New Dorm Hours For Frosh Women

Freshman women, living in residence halls are no longer observing earlier closing hours than their older counterparts.

In past years, freshman coeds had to be in at 9 p.m. for the first nine weeks of the fall term. Now, all women living in the residence halls observe 10:30 closing hours, except for Fridays and Saturdays when they must be in by 12:30 and Sunday when they must be in at 11 p.m.

Jean Stouffer, dean of women, said a primary reason for the change was that many of the frosh women coming in at the earlier hour were not studying and they caused noise which disturbed those trying to study.

The early hours also created some trouble in determining who was supposed to be in, since coeds were arriving at different times, and many exceptions had to be made when women participated in activities such as plays and music rehearsals.

## Language Lab Has Tapes

Any students who left tapes in the language lab from the spring or summer semester should pick the tapes up immediately in the language lab, Picken Hall, Room 204.

## Dilley Names Football Band

The Fort Hays State Tiger Football Band has been formed by combining various bands, according to Lyle Dilley, band director.

The football band will be marching at the first home football game Oct. 5. Selections for concert and pep band will be made later.

The roster for the football band is:

## The Right Road

Once upon a time there was a midwestern college—steeped in history and proud of its heritage—that boasted an enrollment of 3,850 students.

As students of this college sat in the union between classes, drinking their nickel coffee, they found fault with administration, faculty instruction, housing regulations, campus parking, overcrowded classrooms and union policies.

The governing body of the students thought that griping about these grievances was not the way to initiate new and better policies. Therefore, they selected a representative number of students, faculty and administration to hold a series of retreats to discuss the current policies and suggested changes and improvements.

The group did discuss the policies. From their discussions, they found possible solutions to some of their problems.

More important than their solution-finding, though, was that the group realized that communication among faculty, administration and students was conducive to effective policies and was the best answer for making a better college. Nothing, they realized, could be solved by griping and arguing in their segregated groups.

By using intelligent communication and by sharing mature ideas and responsibilities, the group began to construct a framework for policies and improvements which would make their college better for themselves and for its students, faculty and administration in future years.

By using intelligent communication, the group planned—together—so that as future students sat in the union drinking dime coffee, they might—just might—praise, rather than find fault with, their college.

With this outlook, they would live happily ever after . . .

## Housing Office Conducts Survey

A survey of off-campus housing is being conducted by the Fort Hays State housing office, and while it is not complete some tentative figures are available.

There are 756 off-campus units in use, as compared with 1,058 on campus. A total of 455 single women and 1,345 single men are living off-campus.

Ed Johnson, director of housing, said: "We are not telling people where they must live off-campus," and went on to explain that if individuals were living in poor units the department would help them find a more suitable place.

Construction of 36 married student housing units will begin soon. It is hoped they will be completed by January, 1964.

## Men's Intramural Football Gets Underway This Week

Representatives from 14 independent teams and six organizations met with Coach Alex Francis Tuesday evening to set up the schedule for the 1963-64 IM football program.

The 14 independent teams will be divided into two leagues and the organization teams will be in a separate league. The independent teams will play six games and the organization teams will play five.

Francis hopes to have at least four playing fields set up for the football program but the main problem is finding more room. Due to the construction of the new music and speech center the practice field is divided through the middle. With this many teams and so little playing room the games may run into late October or early November. If this happens the teams

in contention for their league title will have to play their games and the teams long out of the running will not be able to play.

Larry Pickering, WaKeeney sophomore, and Don Lakin, Pawnee Rock sophomore, will be the IM managers for this year.

The two independent leagues will be the White and Red Leagues. In the Red League will be the VIPs; Schaherazade Skums No. 1; Westley Wizards; McGrath Hall; Wiest Hall; GDIs, and the Agnew Hall team. The White League consists of the Westley Wildcats; Newman Club; Woodpeckers; Roamers; 69'ers; A. D.s and the P. A. Steelers.

The complete playing schedule has been completed and is available in the IM office, Coliseum 210. Schedules are also to be posted on the Union bulletin board and on the outside of the IM office.

## Volleyball First In Women's IMs

Twenty-eight teams will compete in the women's intramural volleyball tournament which starts today.

Action will start at 5 p.m. at the practice field west of Albertson Hall and continue in Sheridan Coliseum arena at 6:45 p.m.

About 266 coeds are participating in the tourney. The 28 teams are divided up into four leagues: Flower, Nature Sun and Sky.

### League schedules:

**Flower League** — Today, Daisies vs. Sunflowers, 6:45 p.m.; Orchids vs. Irises, Lilacs vs. Petunias, 7:30. Monday, Roses vs. Sunflowers, 5; Daisies vs. Petunias, Orchids vs. Lilacs, 6:45; Sunflowers vs. Petunias, Daisies vs. Orchids, 7:30, and Roses vs. Irises, 9. ## FHS Coeds to State Meeting

FHS Women's Recreation Assn. will host the State, Convention of the Kansas Athletic and Recreation Federation of College Women Friday and Saturday at Camp Webster, Salina.

Although Hays is hosting the convention, all schools attending will conduct various parts of the program with emphasis on the learning of new games. This ties in with the convention theme "For Variation, Enjoy Recreation."

At the present, the convention includes Kansas University, Kansas State University, University of Wichita, Sterling College, Emporia State, Southwestern College, Pittsburg State and Mount Saint Scholastica College.

Featured speakers at the convention are Phyllis Bigby and Judy Rinker, co-advisors of the local WRA and physical education instructors, and Carol Thomas, business instructor at FHS.

Arlene Estes, Kanorado senior, is the state ARFCW president and will lead discussions entitled, "WRA programs in large and small universities," "New programs in colleges and high schools," and "Sports programs in the state."

Other FHS representatives leading discussion groups will be Jan Montgomery, Holyrood sophomore; Vicki Harlan, Republic sophomore; Pam Krueger, Natoma sophomore; Anita Lang, Jetmore senior; and Jacquie Hintze, Joliet, Ill., sophomore.

Other activities being planned for the convention are an informal banquet with Cheryl Koehler, Oberlin sophomore, in charge; a sunrise surprise party being planned by Sharon Kralicek, Hunter sophomore, and Wanda McClurg, Logan sophomore, and hand soccer games supervised by Helen Miles, Ashland sophomore, and Danis McWhirter, Dighon sophomore. A convention newspaper will be published by Nelda Ford, Rozel junior, and Mary Capps, Hoisington sophomore.

# Tigers Open With 7-7 Tie, Face Colorado Western Next

After meeting improved Maryville last week and ending in a 7-7 tie, the Tigers will tangle with an even tougher foe that they have never played before. This Saturday afternoon at 1:30 FHS will travel to Gunnison, Colo., to tangle with the Colorado Western Mountaineers.

Coach Wayne McConnell had this to say about the Mountaineers:

## Kearney Slips Past FHS JV's

Going into the game with an 8-1 record over a three-year period, the FHS football junior varsity fell to a strong Kearney (Neb.) State team 13-7 at Kearney Monday afternoon.

Richard Wolfe, sophomore halfback from Norton scored the junior Bengals' only TD from the nine-yard line. The run climaxed a 63-yard drive.

Leo Hayden, freshman from Goodland, kicked the extra point. Kearney's practice field was not equipped with goal posts and both teams were forced to walk to a lone goal post some 50 yards away where Hayden kicked the pointer.

Kearney's first touchdown came in the second period when freshman quarterback Neil Kaup slipped over from the one-yard line.

The junior Antelopes scored again in the last period on a 19-yard run by McCook Junior College transfer, Bob Stuver. Jim Little ran for the extra point.

## FHS Harriers To Wichita U. Invitational

Alex Francis, FHS cross country and track coach, and 14 of his runners will be making their 1963-64 debut this Friday at the Wichita Invitational Cross Country Meet.

NAIA champion Emporia State will probably be back to make their strong bid for the first place trophy. The Hornets are expected to be hard to beat with all members of last year's squad back again this season.

Running in the A Division at Wichita will be Don Lakin, Pawnee Rock sophomore; Gerald Hertel, Ness City sophomore; Lowell Smith, Clyde junior; Charlie Rose, Haviland junior; Mel Pfannenstiel, Hays senior; Dennis Mannering, Smith Center senior, and Dwight Gillespie, St. John junior.

Making their bids in the B Division will be David Brookshire, Long Island, N. Y., freshman; Joe Dunham, Overland Park sophomore; Jack Harms, Ellinwood sophomore; Cecil Johnson, McPherson freshman; William Parker, Horton freshman, and Joe Twyman, Overland Park sophomore.

Dunham and Twyman may find a berth on the team that will compete in the A Division.

"They will be tougher both offensively and defensively than Maryville, and they will also have an advantage of playing at home. They are predicted to win the Rocky Mountain League and they have good team personnel."

The Colorado team has 20 lettermen returning from last year and includes two able quarterbacks Chuck Stuart and Jim Novak; an outstanding fullback, Steve Lindgren, and a 200-pound halfback named Dave Mitchell.

The Mountaineers will be running most of their plays out of the multiple-T with a flanker back or a slot back, relying greatly on a passing attack.

In reference to last Saturday's game, McConnell said: "After the first positioning of the ball by Maryville, our defense looked good, against both air and ground attacks, and especially well inside the 20-yard line where it counts most."

The offense was too congested and the backs and the line were not working together. Another thing we needed was a consistent ground attack."

This week, drills have been primarily on polishing up the offense. McConnell is also experimenting with Kennis at running halfback, Anthony at blocking back, Johnson at running back, and McCabe at offensive end. VanLaningham, Hayden and Johnson are being used more at quarterback.

Head coach at Colorado Western is O. K. Dalton, who has been at WSC two years and coached the Mountaineers to nine wins and nine losses. His overall record is 59 wins, 23 losses and two ties. Last year, the Mountaineers recorded five wins and four losses.

In Saturday night's action the Tigers and the Bearcats from

Maryville exchanged touchdowns in the first half and then staged a see-saw battle after intermission to come up with the 7-7 tie.

Maryville scored first when fullback Hal Wittbrodt broke through from the one-yard line. Mike Peterson, one of several transfers who followed Coach Ivan Schottel from St. Benedict's, kicked the point after.

Burly Steve Worley was sent over from the one for the Bengals' counter by quarterback Jim Hill, who directed the FHS 29-yard TD drive. Max VanLaningham kicked the extra point.

The game played in the rain was an exchange of punts throughout the second half and both teams saw touchdowns go awry.

The Bearcats missed their opportunity when halfback Lonnie Irvin dropped a pass in the end zone from quarterback Leo Pappas.

An offside penalty with just three minutes to play cost the Tigers a TD. Halfback Larry Bates scooped up a blocked field goal attempt and ran 85 yards for a tally, but the infraction nullified it.

Worley was the leading ground gainer for both teams, netting 117 yards on 24 carries.
